"Live free or be squished!" That's the motto of **Flik**, the hard-working and imaginative worker ant who tries to save Ant Island's food supply from the hungry and horrible **Hopper**! **Flik** is aided by a whole cast of exceptional (if small) characters, like **Princess Atta**, in training for the Queen's spot, **Princess Dot**, the royal runt with lots of spunk, and **P.T. Flea's** troupe of performing circus bugs. Hatched by Disney and Pixar, this fully animated film is big-time fun, and gives us an incredible look at the amazing world of insects.
